Change Management

Sherpaneer helps organizations mobilize their people to achieve unimaginable results at unprecedented speed.

Mergers & Acquisitions

Accelerate deal value with Sherpaneer's global consulting, advisory and transaction services. We help our clients drive profitable growth, optimize performance and manage risk through an M&A approach backed by deep experience in acquisitions, divestitures and joint ventures, world-class project management, and leading industry insights.

Health Check

Sherpaneer's health check consulting service, developed to help brands achieve effective business outcomes from their transformation.

Quick Start

A Quick Start is a limited engagement implementation that focuses on key planning and decision making, standard and custom configurations and essential training for companies who want to start working with Salesforce as quickly as possible.

Implementation

Salesforce products we implement:

- ▲ Sales Cloud
- ▲ Experience Cloud
- ▲ Service Cloud
- ▲ Revenue Cloud
- ▲ Marketing Cloud
- ▲ Salesforce Chatter
- ▲ Analytics Cloud
- ▲ Voice
- ▲ Analytics Cloud/Tableau
- ▲ Health Cloud

Ongoing Support and Services

is a flexible, scalable, and economic solution to maintain and realize your investment — without the need to hire additional full-time, dedicated employees.
